Buffalo and cranberry real food bar based on historic Lakota recipe

TANKA BAR is a new nutrition bar that transcends the Dried Meat and Nutritional Bar categories, giving your customers a truly authentic Native American food.

Made from real buffalo meat and cranberries and based on a centuries-old recipe for using fruit to preserve dried meat, all Tanka products are gluten- and dairy-free.

We start with prairie-raised buffalo and combine it with

antioxidant-rich cranberries. Raised without the use of hormones or antibiotics, buffalo meat is a healthy protein source that is low in fat, and cholesterol. Buffalo meat contains polyunsaturated fat and Omega-3 fatty acids, and is low in saturated fat.

Tanka Bar Hot contains a blend of red pepper, habaneros and jalapenos to give this healthy, real food a spicy-sweet taste. Tanka Bar Hot contains 260mg of sodium per serving.

INGREDIENTS

Buffalo, Dried Cranberries (Cranberries, Sugar), Water, Salt, and less than 2% of flavorings, Red Pepper, Sea Salt, Granulated Garlic, Granulated Onion, Lactic Acid Starter Culture.
